The Egyptian Society of
Neurological Surgeons
(ESNS)

Dears,

It gives me immense pleasure to have the honor of welcoming you on behalf of Egyptian Neurosurgeons to the 40th annual meeting of the Egyptian Society of Neurological Surgeons "ESNS". This annual meeting is of particular importance as we are celebrating in it the Golden Jubilee of the ESNS that was established fifty years ago, in 1967 with a handful of pioneer neurosurgeons and now is proud to have over 600 active members in addition to another 400 affiliate members in training.

For such a memorable event, we will also be simultaneously hosting the 11th annual meeting of the Pan Arab Neurosurgical Society "PANS" and our meeting will be in collaboration with the Continental Association of African Neurosurgical Societies "CAANS" and the Middle East Spine Society "MESS". This will insure that we will have participants from all the Arab, Africa and Middle Eastern countries in addition to our friends from all over the world.

I am sure the scientific content will cater to all interests in the vastly expanding domain of Neurosurgery.

The board members of the ESNS, members of the Society and myself are eager to see you all in our meeting from 21 to 24 March 2017.
