One Federation. One Global Community. A Stronger Future.

WHY IS THIS TRANSITION BEING PROPOSED?

The transition is based on practical, legal and operational reasons.

1. SUBSTANTIAL COST SAVINGS

Significantly lower legal, administrative and operational costs.

2. EFFICIENT LEGAL ADMINISTRATION

A clearer, simpler and less time-consuming legal and administrative structure.

3. DUTCH SOCIETY WITHDRAWAL

The withdrawal of the relevant Dutch society made the Netherlands no longer a practical location for the WFNS legal seat.

4. CENTRAL OFFICE IN PRAGUE

WFNS administrative operations have been based in Prague since 2022.

5. STRATEGIC LOCATION

Prague provides an accessible, well-connected and practical base for WFNS worldwide.

6. OPERATIONAL EFFICIENCY

The legal seat, Central Office and administrative support can operate within one coordinated structure.

• A practical transition supporting the future stability of WFNS. •
