

3rd Pain and Neuromodulation

International Operative & Cadaveric Workshop

Under the Aegis of Microneurosurgery Society

From 7th May to 9th May 2026

Venue: JL Auditorium, AIIMS, New Delhi, India

Theme: Freedom from Pain

Invited Faculty

Dr Ido Strauss
Israel

Dr Girish
Vajramani
England

Dr. Georgios
Matis
Greece

Dr Milind
Deogaonkar
India

Dr G P Dureja
India

Dr Ashish
Tandon
India

Dr Dhruv
Bibra
India

Key Highlights of the Conference

- Spinal Cord Stimulation
- Deep Brain Stimulation
- Motor Cortex Stimulation
- Morphine Pump
- Morphine Pump
- DREZ Lesioning
- Cordotomy
- Gamma Knife for Trigeminal Neuralgia

Operative Workshop – 8th May 2026

- Spinal Cord Stimulation
- Blocks Demonstration
- Trigeminal Neuralgia RF Ablation
- Cordotomy
- DBS *Subject to patient availability

3rd Pain and Neuromodulation International Operative & Cadaveric Workshop

Date : 7th May to 9th May 2026

Venue: JL Auditorium AIIMS, New Delhi

HIGHLIGHTS

- Innovative Approach to learning
- Didactic Lectures | Symposium
- Operative Demonstration:
Spinal Cord Stimulation, Cordotomy, DBS
- Cadaver Workshop

• *Subject to Patient availability*

First Time Ever!

360° Approach to Neuromodulation in Pain

The inaugural edition of **Microneurosurgery Society Operative Workshop & Symposium on 'Neuromodulation in Pain'** is poised to be a transformative event in the realm of pain management. Scheduled **8th to 9th May, 2026**, at AIIMS, Delhi, this workshop carries the theme of 'Freedom from Pain' and is designed to provide Neurosurgeons, expertise in the management of pain including tNeuromodulation.

This three-day event covers a wide spectrum of topics crucial to understanding and addressing pain. From the intricate complexities of Cancer Pain to the challenging landscape of Trigeminal Neuralgia and Neuropathic Pain, participants will gain insights into various dimensions of pain management using combination of live operative workshop, Hands- on simulation and didactic lectures to provide a comprehensive learning for participants.

Organizing Chairman: Dr P Sarat Chandra

Organizing Secretary: Prof Deepak Agrawal

Co-Organizing Secretary: Dr Ramesh Doddamani
