#### **Speaker Bio:**

Professor Najia El Abbadi is a distinguished neurosurgeon renowned for her expertise in complex neurosurgical procedures and innovative approaches to patient care, especially in vascular neurosurgery, skull base, and functional neurosurgery. For over 9 years, she has been a member of humanitarian missions in Cambodia and Congo. She is the Head of the Department of Neurosurgery at Cheikh Zaid International University Hospital, the Chairman of the Department of Surgery, and the Director of Stereotactic Brain Surgery at Abulcasis International University of Health Sciences in Rabat, Morocco. She is the past president of the Moroccan Society of Neurosurgery, the founder, past president, and honorary president of the Mediterranean Association of Neurological Surgeons, and the past president of the Pan-Arab Society of Neurological Surgeons. Today, after two terms as assistant treasurer, she has become the President of the World Federation of Neurosurgical Societies (WFNS).

#### **Moderator Bio:**

Dr. Heba Medhat Maghraby is a consultant neurosurgeon and lecturer at Cairo University - Kasr Alainy Hospitals in Egypt. She was awarded the FIENS Bassett Fellowship in 2023. She will be hosted by Dr. Amgad Hanna at the University of Wisconsin - Madison, School of Medicine and Public Health, for her upcoming fellowship.
