7 December 2023

**Registration Opens:**

29 January 2024

**Abstract submission closes:**

2 April 2024

**Authors notified of acceptance decisions:**

22 April 2024

**End of Early Bird registration fees:**

31 May 2024

### Accommodation - Book early to avoid disappointment

September is a busy month in Cambridge and only limited **College rooms** are being held for us after **31 March 2024**. These can be booked during registration.

### Don't miss the opportunity, join us in Cambridge!

The conference will take place in the heart of Cambridge over two venues; The Corn Exchange, built on a site dated back to 1224 and the Guildhalls.

There will be an exciting scientific programme addressing the basic translational and clinical aspects of research into brain and spinal cord injuries.

All scientific venues and accommodation is within easy walking distance and the Gala Dinner will be held across several of the iconic Colleges in the traditional Cambridge style.

This website will be updated regularly to provide you with more information on the meeting but general enquiries are also welcome at [ints2024@opening-doors.org.uk](mailto:ints2024@opening-doors.org.uk)

September is the perfect time to visit Cambridge, with its many attractions and easy access to London airports.

We look forward to welcoming you!

*Yours Sincerely,*

**NeuroTrauma Meeting Organising Committee**

#NeuroTrauma 2024 is dedicated to providing a positive experience for everyone, regardless of gender, gender identity and expression, age, sexual orientation, disability, physical appearance, body size, race, ethnicity, or religion (or lack thereof). We do not tolerate harassment of conference participants in any form. Evidently inappropriate language and imagery of any kind is not appropriate for the conference venues or on social media. Please let the conference organisers know if you see this code being breached.
