

Dear Colleagues,

Welcome to the website of the Jubilee Tenth Annual Winter Conference of the Ukrainian Association of Neurosurgeons, which will take place from February 20 to 22, 2025, in the picturesque Bukovel!

This conference will serve as an excellent opportunity for all of us to gather, exchange experiences, and discuss the pressing issues of our specialty. Neurosurgery is constantly evolving, and it is essential to remain at the forefront by implementing the latest technologies and scientific advancements. Your contributions to this field are invaluable.

During the conference, we will offer engaging lectures, panel discussions, and workshops led by leading specialists from around the world. Together, we will be able to discover new solutions inspired by our shared commitment to enhancing our knowledge and skills.

It is particularly important to highlight the unparalleled atmosphere of fruitful communication that prevails in the stunning Carpathians. These mountains inspire new ideas, create conditions for open discussions, and foster the formation of strong professional networks. I am confident that the natural beauty and welcoming ambiance will make this conference unforgettable for each of us.

I invite all neurosurgeons, professionals from related specialties, researchers, young specialists, and practitioners to join us in this important event. Together, we can make neurosurgery in Ukraine even more powerful and innovative, and our fruitful collaboration will be our significant contribution to the victory over the enemy.

I eagerly look forward to meeting you in Bukovel!

Best wishes,

Oleksandr Voznyak

President of the Ukrainian Association of Neurosurgeons

Dear Colleagues!

We invite you to attend the Jubilee Tenth Annual Winter Conference of the Ukrainian Association of Neurosurgeons, which will be held February 20–22, 2025 in picturesque Bukovel!

This conference will be a great opportunity for all of us to come together, exchange experiences and discuss current issues in our specialty. Neurosurgery is constantly evolving, and it is important to stay at the forefront, implementing the latest technologies and scientific achievements. Your contribution to this field is extremely valuable.

The conference program includes exciting lectures, panel discussions and master classes, which will be held by leading experts from Ukraine and the world. Together we will look for new solutions, inspired by a common commitment to improving our knowledge and skills.

I would especially like to note the unique atmosphere of open communication that prevails in the beautiful Carpathians. The mountain landscapes and cozy atmosphere of Bukovel will provide not only professional development, but also a pleasant vacation in the company of like-minded people.

Together we can make neurosurgery in Ukraine even more powerful and innovative, and our cooperation will become a significant contribution to the victory over the enemy.

We look forward to meeting you in Bukovel!

Look forward to seeing you soon. With many thanks and best regards,

Nataliya
