

WORLD RADIOSURGERY DAY SYMPOSIUM

21-22 November 2025
Brussels, Belgium

November 24th marks the birthday of Professor Lars Leksell, the “Father of Radiosurgery.”

To honor his legacy, the EANS has established the annual **SRS-EANS Course** around this date, recognizing radiosurgery as a vital tool in the hands of neurosurgeons—one that demands both deep understanding and leadership.

We are pleased to announce that the **2025 World Radiosurgery Day Symposium** will take place on **21–22 November 2025, in Brussels, Belgium!**

Registration will open soon
