VIRTUAL MEETING

16th Sat
Sept. 2023

Time : 15:30 to 20:30

I am delighted to welcome you to the 12th International Neurosurgery update (INSU) in Mumbai, an educational initiative of the WFNS Foundation on September 16th, 2023.

Your overwhelming response to last eleven editions of the INSU made it resounding success. It bolstered our resolve to make this meeting a much awaited annual event, with the best neurosurgical minds from across the globe.

Prominent international & national speakers will share their perspectives on the most recent & relevant clinical issues, promote & stimulate discussion & debate controversial topics in an effort to better understand the latest management protocols.

The themes of this year's update are Neurotrauma & Pediatric Neurosurgery. The scientific programme is going to be intellectually challenging, relevant & educational.
