

Dear Section Members,

It is with a heavy heart I write to inform you of the passing of James T. Goodrich, a tireless advocate of pediatric neurosurgery across the globe. Please read the announcement from his colleague, Rick Abbott, and Chairman, Emad Eskandar, below.

Mark Krieger, MD, Chair, AANS/CNS Section on Pediatric Neurological Surgery

We are greatly saddened to report that James T. Goodrich passed away early this morning. He was stricken with the COVID-19 virus last week and had been undergoing treatment at our hospital since his admission last Wednesday.
