

A Message from the President of The 20th WFNS World Congress of Neurosurgery 2027 and The President of The Indonesian Neurosurgical Society

Welcome to **The World Congress of Neurosurgery (WFNS) 2027** in Bali, Indonesia.

Thank you for entrusting us as hosts for the 20th world congress meeting of WFNS. We are delighted to extend our warm invitation to you for this prestigious event that will serve as a platform for leaders and experts in neurosurgery from around the globe. Bali, with its breathtaking natural beauty and rich culture, will host this extraordinary meeting.

In 2027, our commitment is to make the **World Congress of Neurosurgery (WFNS)** more impactful and beneficial. We will bring together distinguished speakers from all WFNS member countries, collaborating with all existing committees, to discuss the latest developments in the field of neurosurgery.

This event will not only be an opportunity to hear insights from leading figures in neurosurgery but also to build networks with top professionals in the field. We believe that the exchange of knowledge and experiences will create an extraordinary collaborative atmosphere.

Prepare to engage in in-depth discussions on the latest innovations, current trends, and future challenges in the field of neurosurgery. Additionally, enjoy the beauty of the island of Bali, relax, and share experiences with fellow professionals from various corners of the world.

Let's come together for this gathering that will combine expertise and enthusiasm from the entire global neurosurgery community. We look forward to welcoming you to Bali in 2027 for an unforgettable experience at the World Congress of Neurosurgery!
