

The 2nd World Congress of Young Neurosurgeons (ACNS - YNS)

"Neurosurgery: The Next Generation"

July 29th – August 1st, 2023
ASEEC Tower, Universitas Airlangga and
Faculty of Medicine, Universitas Airlangga, Surabaya, Indonesia

Dear esteemed colleagues,

It is with great pleasure that we invite you to participate in the **2nd World Congress of Young Neurosurgeons (ACNS-YNS)**, which will be held on **July 29th – August 1st, 2023**, at **ASEEC Tower, Universitas Airlangga and Faculty of Medicine, Universitas Airlangga, Surabaya, Indonesia**.

Our chosen theme is **"Neurosurgery: the Next Generation"**, reflecting our shared goal of updating young neurosurgeons' knowledge of cutting-edge techniques in neurosurgery. We are thrilled to have secured an impressive lineup of international speakers who will be sharing their knowledge and experience with us.

The program consists of advanced and application workshops covering various fields of neurosurgery. We are excited to offer an opportunity for you to update your knowledge and sharpen your skills in your respective fields.

As we believe in the power of collaboration, we are committed to creating a platform that encourages discussion and exchange of ideas. The congress provides a unique opportunity for networking and building relationships with fellow neurosurgeons from all around the world.

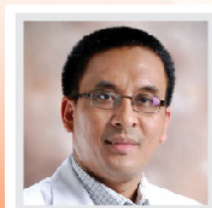

We are hosting the congress offline, adhering to strict health protocols to ensure the safety of all participants. Please visit the conference website www.ynscongress2023.org for detailed information on the program, registration, and accommodation options, with a special rate for congress participants.

In addition, we would like to extend an invitation to our fellow neurosurgeons and residents to submit scientific papers and participate in the free paper competition. The committee will select up to 30 best articles for the chance to be published in a prominent scientific journal. Please upload your abstract at the congress website www.ynscongress2023.org.

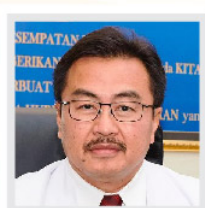

We encourage you to block these dates and bring your family to experience the unique, culturally rich and beautiful Surabaya City.

Join us in the exciting and inspiring congress, and let's work together to shape the future of neurosurgery. We look forward to meeting you soon!

Best regards,

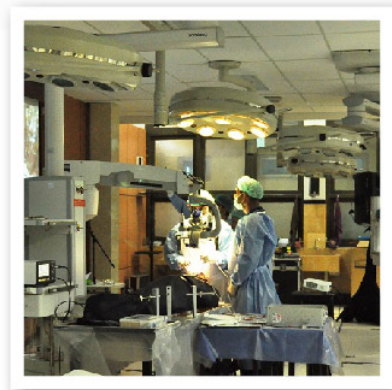

Asra Al Fauzi
